- *Show took in \$2,205 but the expenses haven't been tallied yet; Didi needs to get food expenses from Jackie and Andrea; Sandi will send Didi what she can see on online banking so Didi can update the expenses/income excel sheet.
- *Need to check with Joan that we are not getting any more large amounts coming into the account

Article for USDF about NCDA

- *Need to let people know about our philanthropic efforts with the young riders
- *Sandi will get something started and then will hand it over to Nicole Bizzarro to edit it
- *It should be sent to USDF, anywhere else?

Local News

- *Table Mountain Ranch is closing.
- *With this in mind, do we focus on western riders to bring more people to the club?

Membership activity

- *Of the 11 riders in Schooling Show I, only 4 were members; this is 36.36% of show participants as members
- *Schooling Show II had 27 riders, of which 3 were club members (11.11% of show participants were members)
- *Between the two shows, 62.96% had Classical Dressage tests, 29.63% had Western Dressage tests, and 11.11% Test of Choice test
- *No stats on the RAT, but between the two schooling shows, only 5 of our 45 members participated in the shows
- *How do we serve the other 40 members that do not show?
- *Sandi screen shared the rooster, we went through it to see if anyone knew person and if so, why they are not active in the club (shows, RAT, meetings)
- *Kelly will email those identified as potentially able to lure back in; the email will thank them for their membership and ask what we can do to "serve" them better.
- *Cheyenne club is dissolving, Sandi will reach out to their members to see if they want to participate in NCDA
